

GBC 240HS Home Office A3 Laminator

Ensure your documents are safeguarded with the GBC 240HS high-speed laminating machine. Built for high performance, this A3 laminator features a fast 2-minute warm-up time and can laminate a 75-micron A4 sheet in just 45 seconds, providing an efficient solution for all your home office needs.

The GBC 240HS is a sleek and efficient solution for everyday laminating needs. Designed with both style and performance in mind, this high-speed A3 laminator is ideal for home or home office use. Boost productivity and reduce lamination time by 30% using GBC high-speed pouches. With a fast 2-minute warm-up time, it laminates a 75-micron A4 sheet in just 45 seconds, making it perfect for efficiently handling your home projects. The easy-to-use control switch offers three pouch thickness settings from 75-125 microns, providing flexibility for various document types. An anti-jam release lever ensures smooth operation by effortlessly resolving any misfed pouches. Additionally, the smart status LED system simplifies operation with clear visual and audible cues: red during warm-up, blue with a sound when ready, and an automatic shut-off after 15 minutes of inactivity to conserve energy. Protect and preserve your important documents with a perfect finish, every time. Black and red colour.
