Brother Labelling Machine

**Message:**

Put a label on it!

With the compact and sleek new design, you can use the machine as a PC-connected or handheld labelling machine.

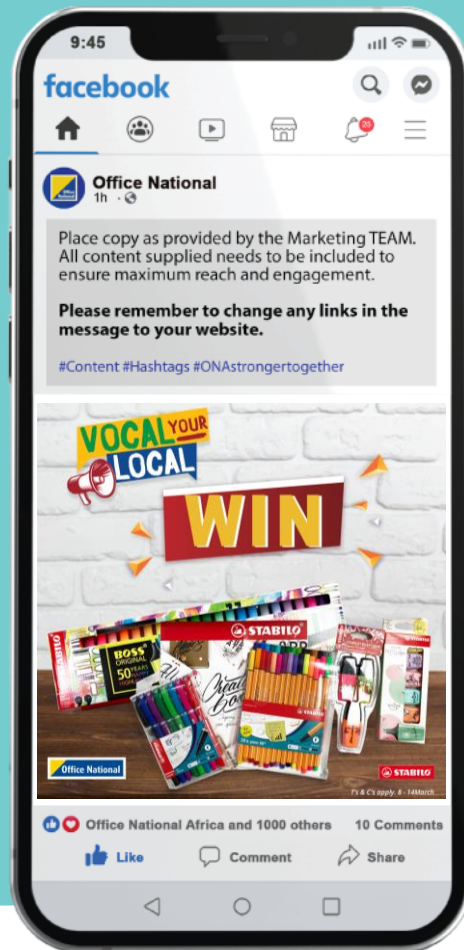

Print via USB from P-touch editor software or download the Brother iPrint & Label app & use a smart device via Bluetooth technology. You can even link to text contained in a Microsoft Excel spreadsheet to quickly print many labels at once, thanks to its high-speed print capabilities.

Shop yours here: <http://bit.ly/3knvof1>
