

GBC CB12 Manual Punch and Comb Binding Machine

This moderate use binding machine features a manual punch capacity of 12 sheets and effortlessly binds documents of up to 165 sheets using CombBind® spines.

The CombBind® CB12 is a reliable and resilient manual comb binder engineered to streamline your moderate tasks in office, home, and school settings. Adjustable selector pins enable effortless adaptation to paper sizes up to A4, with the flexibility to customize margin depths. Designed for ease of use, it features a convenient clippings tray for quick access. Punching through up to 12 x 80gsm A4 sheets, this robust A4 binder can bind up to 165 sheets at a time using 19mm spines, making it an ideal choice for efficient document organization.
