OFFICE PAPER

The Office Paper Sector continues to meet the ongoing needs for the market throughout Southern Africa.

YOU CAN MAKE YOUR IDEAS SING IN DYNAMIC WAYS

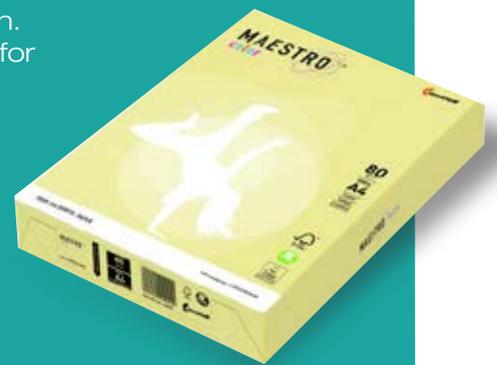

MAESTRO® Color is available in a range of 13 eye-catching, attention-grabbing colours.

It's the hip-hop dancer of the MAESTRO® range. So go on – express yourself! Choose from the range of subtle Pastel, Mid or Bold colours. Highly light-fast and with superb colour uniformity, MAESTRO® Color papers have all the right moves. With MAESTRO® color you can make your ideas sing in dynamic ways.

In the business world, paper is used in a variety of different applications and needs to make a powerful, lasting impression – from expressive colour reproduction to efficient black-and-white printing. It's up to you to choose your rhythm, intensity and effect whether for colour code paper systems, reports, leaflets or any creative application. Mondi has developed these papers specifically for office applications, for optimum results and to meet the needs of today's business world.

MAESTRO® color papers offer high opacity and ensure low dust formation during printing, resulting in less wear and tear of machines and reduced service costs. Hit all the right notes with MAESTRO®! At Mondi, the Green Range logo is a symbol of high environmental performance in sustainable paper production.
