Guess who won't have any stationery to write with?

Some of our colleagues!

We got a little creative and painted the tips of our colleagues' pens and pencils with clear nail polish so that the stationery does not work.

Happy April Fools Day!

Tell us about the most epic April Fools joke or prank that you have ever pulled off.

**Message:**

It's Good Friday and the perfect opportunity to spend quality time with your kids.

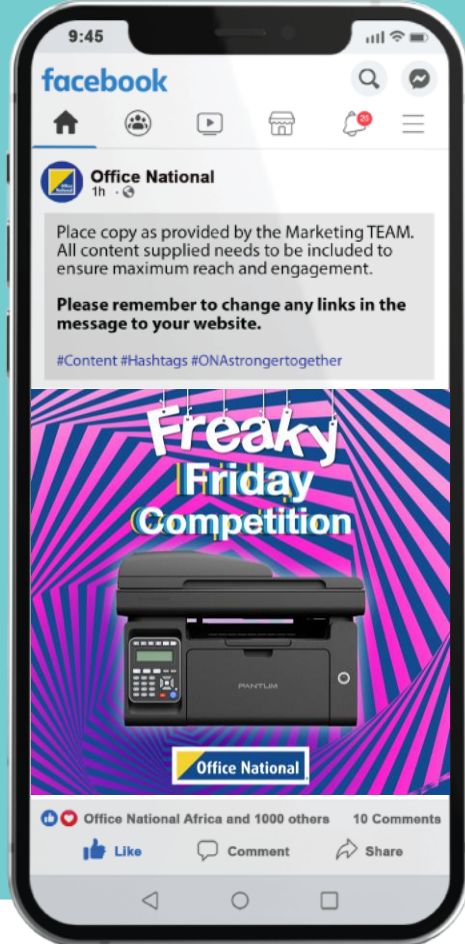

One way to do this is by DIY-ing Easter decorations.

We'd love to see your crafts, share them with us in the comment section – you might inspire someone else to make their own Easter decorations.
