

EVA & ELM

# Wellness

A wellness collection focused on improving your health and wellbeing.

Eva & Elm is a range of products which have quickly become indispensable in a new and different world. Focused primarily on and around prevention and care, the products are everyday essentials which help us to live a cleaner life and improve our daily routines.

The Eva & Elm brand is your assurance of reliable products sourced from trustworthy manufacturers.

**LIVING LIFE WELL**

**The COVID-19 pandemic** has rapidly changed our lifestyles and adjusting to the 'new normal' presents many challenges for us all.

With this in mind, we have created a range of wellness essentials, to help you navigate these unprecedented times and improve your lifestyle.

Leading a well-balanced and healthy lifestyle in terms of fitness, hygiene and nutrition plays an increasingly important role within the fast-paced and demanding world we live in.

For every hand sanitiser purchased from this range, R1,00 will be donated to the National Solidarity Fund.

# Hand Sanitisers

## Clean hands save lives.

Your greatest defence against infectious diseases like COVID-19, is practising good hygiene by thoroughly washing your hands with soap and water or using an alcohol-based hand sanitiser frequently.

For effective use, apply enough hand sanitiser to cover your hands entirely. Your hands should stay wet for at least 20 seconds when using the right amount.

# Face Masks

## Prevention is better than cure

The use of face masks has become mainstream on a global scale, not only as a preventative measure in terms of contracting infectious diseases, but more importantly as a means to limit the possible spread should you already be infected. Keep yourself and those around you safe with our range of masks.

## Useful Tip

As a precaution in terms of limiting the spread of infectious diseases like COVID-19, protect yourself and others by wearing a mask.

Masks are effective only when used in combination with good hand hygiene: frequent hand washing with soap and alcohol-based sanitisers.

These reusable cotton face masks are intended for personal use and not as a replacement for medical grade Personal Protective Equipment (PPE) or other preventative measures recommended by health authorities. Daily washing at a minimum temperature of 60° Celsius recommended.

A close-up photograph of two hands, one from the left and one from the right, positioned to form a heart shape. The hands are light-skinned and appear to be holding each other gently. The background is a soft, out-of-focus bokeh of warm, golden-yellow and white light spots, suggesting sunlight filtering through leaves. The overall mood is warm, caring, and positive.
