# DIGITAL DUPLICATOR VI - 125

Perfect combination of flexibility  
and versatility

- User Friendly operation panel
- PC connection
- High speed print
- Robust and reliable design

**Versatility**

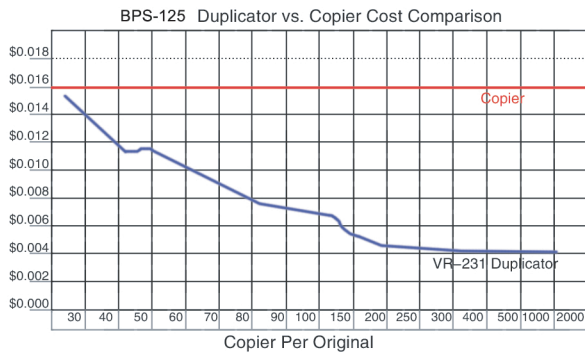

It supports a wide range of paper weights from 40 - 120 gsm and 500 sheets feeding tray volume. What's more, the Vi - 125 is compatible with a wide range of applications due to its 300 x 400 dpi resolution, PC connection and so on.

**Ease of Use**

Economical and easy operation to meet all basic needs.

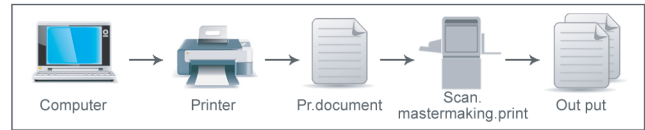

**Low-cost, High-quality Printing**

Higher the volumes reduces the individual copy cost. Vi - 125 digital duplicator prints at a rapid speed up to 120 pages per minute. Whether you're a school, an office or a commercial operation such as a print shop, you'll find it's an ideal printer for all your jobs.

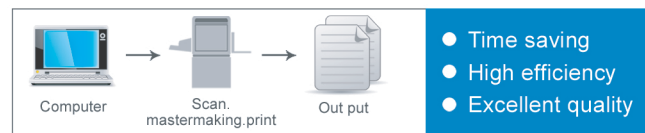

**PC Connection**

Standard USB print interface

Traditional method

Improved method

**Environmentally Friendly**

There's no energy - intensive heater, which means no warm - up time and there's a user - programmable sleep mode (Option) which puts the printer into low - power hibernation after a set period with no operation.

**VI - 125 SPECIFICATIONS HOST**

Model	VI - 125	Paper receiving capacity	800sheet s(60gsm)
Operation mode	Touch-sensitive operation panel	Printing speed	5 selections (50, 70, 85, 105, 120ppm)
Scanning mode	Document feed in scan	Print density adjustment	5 levels(Lighter, light, normal, dark, darker)
Original type	Sheet	Print position adjustment	Vertical : ± 10mm
First copy time	Approx.: 39S	Master eject box capacity	10 sheets
Resolution	300dpi x 400dpi	Other function	Master-masking density adjustment, Computer connectivity, automatic shutdown (Optional), energy save(Optional)
Original size (min/max)	100mmx148mm- 257mm x 364mm	Power supply	220V-240VAC,50/60Hz, 13W-100W
Scanning area (max)	206mmx293mm(A4)	Dimension(D x W x H)	Using: 1200mm*620mm*500mm Storage: 707mm*707mm*735mm
Paper size	100mm x 148mm -297mm x 420mm	Weight	GW: 81KG Net: 70 kg
Master size	220mm x 463mm		
Paper weight	40gsm-120 gsm		
Paper feed capacity	500sheets (70gsm)
