# VI - 350

The Vast Imaging VI-350 is a 130 ppm digital duplicator designed for high-demand environments. With its rapid master-making process and sturdy platen cover, it delivers reliable, continuous performance — making it the ideal solution for any busy copy room.

With 130PPM fast printing speed, the VI - 350 realizes easy processing even for high - volume printing work. In addition, with multi-shift adjustment switches, the VI-350 adapts to different thickness of paper feeding.

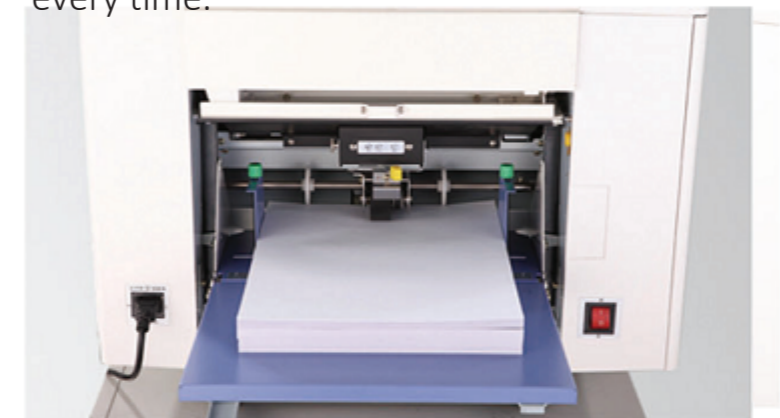

Precise paper feeding pressure adjustment realizes excellent printing of various paper types from 40-128g / m<sup>2</sup>. Third shifts pressure adjustment from thin paper to thick paper enhances reliability.

Standard 1000 sheets paper - receiving capacity. Paper feeding tray can stack 950 sheets (60g/m<sup>2</sup>) at once during high-speed printing.

Master eject capacity = 40 sheets.

Innovative double-roller paper feed design provides much greater stability, ensuring smooth, reliable feeding. The rollers engage simultaneously so each sheet is fed accurately — one page at a time, every time.

## VI-350 Specification

Operation mode	Scanner mobile scanning, thermal master making, memory print, A3 scan, B4 print	Scan density	5 variable ( lighter, light, middle, dark, darker)
Original type	Sheet, Book(≤10KG)Two in one	Master making density	5 variable ( lighter, light, middle, dark, darker)
Image processing mode	Text/Text&picture/Picture&text/Picture/Newspaper/Pencil/Screen	Master eject capacity	40 sheets
Original size(min/max)	Min: 90*140mm Max: 310*432mm	Ink supply	Automatically , 600ml/pc
Printing area(max)	252*358mm	Stencil supply	Automatically , 90m/roll
Paper size(min/max)	Min: 90*140mm Max: 297*420mm	Power source	220V,50/60HZ
Master making speed	19s (A4 vertical)	Rated input power	120W
Resolution	300*600dpi	Features	PC-connected printing,U-disk master making, Ink-saving mode, Pencilmode, Newspaper mode, Screen mode, Book-shadow erasure, Programmed Printing, Confidentiality mode,Consumable used-out reminder, Automatic detect original, Energy saving function
Print reproduction Ratio	Reductions:71%,81%,87%,94%; Enlargements: 100%,115%,122%,141%; Free zoom:50~200% (1% increment)	Optional function	Auto shut off, Auto pressure adjustment, Network print
Paper weight(min/max)	40~128g / m <sup>2</sup>	Optional parts	Color drum, Sorter, Bottom stand.
Paper feeding capacity	950 sheets(60g / m <sup>2</sup> )	<b>Notice</b>	
Paper receiving capacity	1200 sheets(60g / m <sup>2</sup> )	We keeps continuous improvement on product performance and reserves the right to amend the specifications and appearance without prior notice.	
Print speed	Five Steps Variable (55/70/85/105/130 ppm)		
Image positioning	Horizontal: ± 10mm,Vertical ± 10mm
