

# HAND PROTECT CREME

PROTECTS SKIN AGAINST ALL SUBSTANCES

**Protects against** cooling fluid, lubricants, greases, oils, tar, rust, bitume, paint, polyurethane, etcetera.

Prework protective cream for both wet and dry applications. Forms a barrier to prevent harmful substances from penetrating into the skin. Makes it easier to clean the hands.

**Hand Protect Creme:** very skin friendly and dermatologically approved.

- improves grip
- no slippery hands
- contains mild ingredients (bisabolol)
- silicone-free

**Hand Protect crème** is available in a handy 300ml bottle.
