CREDENTIALS

Enigma was founded from a flat in Sea Point in 2008, with 2 employees. Eleven years later we have grown to become a multi-faceted promotional clothing and gifting company that employs more than 40 people. Our love for the industry means we provide personalised relationships with all of our clients, with no order being too big or too small.

We are currently expanding into Africa and will soon have offices in Tanzania, Ghana, Nigeria and Mozambique.
