

ANYWHERE SOUNDS AMAZING

"The HEOS system is simply terrific and terrifically simple."

"HEOS can stand tall next to Sonos."

"It's not the first wireless multi-room sound system but it certainly ranks among the best."

"HEOS deserves in our eyes a best buy for its well-thought-out functionality."

Best Streaming Audio Product

"A system that features all possibilities one can expect from a multi-room audio system"

"HEOS proves to be an exciting new product line for Denon."

"If ease of use, speaker design and musicality distinguish multi-room systems, then HEOS by Denon has set a refreshingly high benchmark."

HEOS by Denon

HIGHS: Easy to install and expand; exciting audio performance from the HEOS 7 and 5; AV interoperability via the HEOS Link

RECOMMENDED PRODUCT

"The HEOS by Denon range is a versatile multiroom audio system that offers considerable expansion possibilities."
