

DENON®

WIRELESS MUSIC SYSTEM

for your whole house

HEOS™

WIRELESS MUSIC SYSTEM FOR YOUR WHOLE HOUSE.

When it's time for a get-together, group the HEOS speakers together for a house full of sound.

SOUND TRAVELS ...WITH YOU.

Connect to your phone or tablet as you move from room to room. Control the music in every room from any device. Set the mood that's just right for the moment.

DIFFERENT MUSIC FOR DIFFERENT ROOMS.

Every member of the household can listen to his or her favourites—in his or her own space.

STREAM FROM THE WORLD'S LEADING ONLINE MUSIC SERVICES.

With HEOS, you have all the options you need and all the access you want. Stream your favourite cloud sources like Spotify, Deezer and TuneIn. Plus, listen to tracks directly from your phone, tablet or USB drive.

THE HEOS APP.

Control your complete HEOS system with the simple, easy-to-use HEOS app.

Supported streaming services include:

EASY SETUP PROCESS

SUPERIOR CRAFTSMANSHIP

We've built our name on unrelenting attention to innovative craftsmanship and quality, often being the first to deliver new audio innovations. Each HEOS system is passionately engineered in-house at Denon and composed of meticulously designed components that harmonise together and deliver the performance that music lovers crave and deserve.

HEOS 1

Amazing sound from a compact, portable speaker.

The HEOS 1 is a compact speaker, that features humidity resistance – making it versatile, and perfect for both indoor and outdoor use. To enhance the HEOS 1 further, just add the HEOS GoPack!

SPECIFICATIONS: HEOS 1

- Wi-Fi wireless audio streaming over your existing network
- Custom mid-woofer and dome tweeter
- Sealed enclosure features humidity protection
- High efficiency dual channel digital power amplification
- Optional Go Pack rechargeable battery pack/base with Bluetooth wireless adapter
- Available in Black and White

HEOS 1 Go Pack

Take your HEOS 1 anywhere with the HEOS GoPack.

The Lithium-ion rechargeable battery pack attaches to the HEOS 1 base, with easy twist-on/twist-off attachment. Listen to your favourite tracks wirelessly via the included Bluetooth USB connector – no wired or Wi-Fi connection needed.

SPECIFICATIONS: HEOS 1 Go Pack

- Listen to your favourite tracks virtually anywhere.
- Lithium-ion rechargeable battery.
- Up to 6 hours of playback on a single charge via Bluetooth, Wi-Fi or Aux In.
- Bluetooth USB adapter included for wireless audio streaming.
- Easy twist-on/twist-off attachment to the HEOS 1.
- Charge your smartphone while listening to music at the same time.

HEOS 3

The perfect place to start.

Ideal for small to medium sized rooms, such as bedrooms, offices or kitchens. This compact but full-featured speaker blends versatility with the sound quality of HEOS. Either standing tall, or on their side, they fit anywhere.

SPECIFICATIONS: HEOS 3

- > Versatile horizontal or vertical placement.
- > Dual custom full range drivers powered by 2 dedicated Class D amplifiers.
- > Bass port for improved Bass performance.
- > Bluetooth USB adapter included for wireless audio streaming via Bluetooth.
- > USB and 3.5 mm jack AUX input.
- > Use 2 for a perfectly synchronised stereo pair.
- > Available in white and black.

HEOS 5

Where elegance meets performance.

Ideal for medium to large rooms such as dining rooms, larger bedrooms and offices or smaller living rooms. The middle-weight champion of speakers. Absolutely amazing bass from a discreet footprint.

SPECIFICATIONS: HEOS 5

- > Absolutely amazing sound from a discreet and stylish powerhouse.
- > 4 loudspeakers driven by 4 digital amplifiers.
- > Passive woofer for an amazing bass performance.
- > Bluetooth USB adapter included for wireless audio streaming via Bluetooth.
- > USB and 3.5 mm jack AUX input.
- > Handle allows easy portability wherever you need great sound.
- > Use 2 for a perfectly synchronised stereo pair.
- > Available in white and black.

HEOS 7

Bigger is better when it's time to party!

Ideal for large room and open areas such as living rooms, patios, or open-floor-plan homes. The ultimate in wireless speaker performance. Perfect for Parties.

SPECIFICATIONS: HEOS 7

- > The ultimate in wireless speaker performance.
- > 5 loudspeakers driven by 5 digital amplifiers.
- > 2 passive woofers for an impressive bass performance.
- > Includes headphone output.
- > Bluetooth USB adapter included for wireless audio streaming via Bluetooth.
- > USB and 3.5 mm jack AUX input.
- > Use 2 for a perfectly synchronised stereo pair
- > Available in black and white.

HEOS Home Cinema

Less wires. More drama.

As TVs get slimmer, their sound quality suffers. HEOS HomeCinema solves this by delivering true wide range, high fidelity audio, allowing for maximum enjoyment of TV shows, movie and even your favourite music.

SPECIFICATIONS: HEOS Home Cinema

- > Dramatic wide range high fidelity sound from your TV and Blu-ray player or cable/satellite tuner.
- > Operates as a HEOS zone for music listening.
- > Advanced DSP processor delivers immersive virtual surround sound.
- > HDMI input and output features Audio Return Channel for single cable connection from the soundbar to your TV.
- > Dolby Digital, Dolby Digital Plus, DTS decoding.
- > Wireless subwoofer included.

HEOS AMP

Wireless Amplifier.

The HEOS Amp is designed to add HEOS multi-room audio functionality to a pair of stereo speakers.

SPECIFICATIONS: HEOS AMP

- Turn any stereo system into a wireless zone.
- Features the same wireless ease of use as our self-powered HEOS speaker models.
- Powerful stereo amplifier in a compact chassis offering 2x 100 watt of digital amplification.
- Subwoofer connection.
- Optical input and 2 analogue inputs.
- USB and 3.5 mm jack AUX input.

HEOS LINK

Wireless Pre-Amplifier.

The HEOS Link adds HEOS multi-room audio to an existing music or home theatre audio system.

SPECIFICATIONS: HEOS LINK

- Turn any stereo system into a wireless zone.
- Control your Denon receiver, integrated amplifier or mini system right from the HEOS app.
- High quality D/A conversion.
- Optical input and 2 analogue inputs.
- Subwoofer connection.
- Optical input and 2 analogue inputs.
- USB and 3.5 mm jack AUX input.
- IR-output for remote control of Denon components via app.

HEOS IN THE PRESS

“

T3
United Kingdom

“Thanks to its ease of use and inventive app design, HEOS by Denon wins this category by a pinch” “HEOS by Denon is our multi-room system of choice. Feature-rich and musical with local USB playback, backed by a solid app, it’s a star performer!”

Hi-Fi Choice
United Kingdom

“If ease of use, speaker design and musicality distinguish multiroom systems, then HEOS by Denon has set a refreshingly high benchmark.”

Inside CI
United Kingdom

“The HEOS by Denon range is a versatile multiroom audio system that offers considerable expansion possibilities.”

Home Cinema Choice
United Kingdom

“HEOS proves to be an exciting new product line for Denon.”

Media Awards
Netherlands

BEST STREAMING AUDIO PRODUCT

“A system that features all possibilities one can expect from a multi-room audio system.”

SFT
Germany

“Those who want to integrate external speakers into the system better choose HEOS, a true must buy in our opinion.”

ON OFF
Spain

“Nice design, easy installation and best sound.”

”

EISA AWARD
Best Product 2015-2016

“Capable of a surprisingly deep bass, a well-judged midrange and room-filling energy, this is the perfect way to spread stunning sonics throughout the house”
