ABOUT US

We are experts in all things tech. With more than 20 years' experience in import and assembly of multinational ICT hardware and solutions, we know how to put together the best quality components at the most affordable price.

RCT is a brand that falls under the stable of Rectron (Pty) Ltd, a leading South African ICT solutions distributor, established in 1995.

Our aim is to meet the growing local demand for high-quality endpoints, servers, peripherals, power solutions by providing affordable, yet high quality and reliable computing solutions for your business environment as well as your home.
