Tractor 3-Pt mounted Blower (Flory)

- Designed for blowing materials along the ground and out from under trees or up in the air with over 15,000 C.F.M of discharged air.
- Controlled with damper and cylinder which allows a variable amount of air without effecting the r.p.m. of the tractor's engine
- Air flow direction is adjustable

Stock Code	Model
UF2500	2500 High volume tractor mounted blower c/w damper (Tractor PTO driven)

Note

- *All weights, measurements & specifications are approximate and subject to change without prior notification.
