

Quicke

Quicke C-Series

Our Front Loaders for Compact Loaders

THE C-SERIES FROM QUICKE

Our compact loader packed with performance for small tractors

SMALL AND BIG!

The compact C-series from Quicke is a small front loader - and a big performer!

The new compact front loader from Quicke is at home when you want to ensure exceptional performance from a highly versatile loader for small tractors.

- Covering tractors from 15-65 hp
- Lift heights 1,88-2,82 m
- All loader models are available with quick attach systems: Euro as standard or Skid steer as option

Mechanical self levelling (MSL) loader model

Non-self leveling (NSL) loader model

Available Models

Non-self leveling (NSL) loader

Size	Model	Lift Height	Lift Capacity	Implement connection type
1	C09	1.88 m	288 kg	Euro or Skid steer
2	C12	2.09 m	398 kg	Euro or Skid steer
3	C13	2.39 m	456 kg	Euro or Skid steer
4	C16	2.60 m	640 kg	Euro or Skid steer
5	C18	2.82 m	870 kg	Euro or Skid steer

Mechanical self levelling (MSL) loader

Size	Model	Lift Height	Lift Capacity	Implement connection type
1	C09S	1.88 m	310 kg	Euro or Skid steer
2	C12S	2.09 m	470 kg	Euro or Skid steer
3	C13S	2.39 m	550 kg	Euro or Skid steer
4	C16S	2.60 m	840 kg	Euro or Skid steer
5	C18S	2.82 m	990 kg	Euro or Skid steer

Available Options

3rd Function:

3rd function makes it possible to operate hydraulically powered implements.

SoftDrive®

Our suspension system. SoftDrive reduces the strain on the loader and subframes, as well as on the driver and tractor.

Euro

Euro tool carrier is our standard attach system, available for all models from C09 to C18S.

Skid steer

Skid steer tool carrier is available for all models (no standard and not available from warehouse).

Multi Coupling Compact

A robust Quick Connect solution enabling easy and safe connection of the loader hydraulics.

Available Compact Implements

Bucket

- Available from 120 cm to 180 cm
- Euro or Skid steer

Multi Purpose Bucket

- Available from 140 cm to 180 cm
- Euro or Skid steer

Bale Spike

- 127 cm (frame width)
- Euro or Skid steer

Bale Fork S+

- 115 cm (frame width)
- Euro or Skid steer

Pallet Fork

- 114 cm (frame width)
- Euro or Skid steer

Multigrab C

- 120 and 140 cm Euro or Skid steer
- 170 cm Euro

- Recommended! Suitable for high density material (1400kg/m³)
- Recommended! Suitable for lightweight density material (600kg/m³)
- Not compatible, digging depth too low
- * Possible combination, but not recommended (reduced lifting height)
