

SA Motorcycles have been supplying delivery bike solutions in the market for many years.

Now supplying - **THE NEW BIG BOY DELIVERY-BAG**

Whether you are an independent restaurant or deliver for (Uber Eats, Mr D, etc). You can equip yourself with a high-quality product used and approved by many delivery professionals around the world.

There are two choices available:

1. Use the BIG BOY DELIVERY-BAG straps to attach the bag to the scooter or motorcycle.
2. Use the BIG BOY DELIVERY-BAG as a carry bag.

BIG BOY DELIVERY-BAG is a quality product. High-quality zippers as well as flexible polyester fabric, stitched with internal lining for strengthening the bag with optimum finishes, enhance its durability. Simply put it is easy, lightweight, affordable, economical, and weatherproof with thermal foil insulation. Assuredly delivering a BIG BOY DELIVERY-BAG PREMIUM PRODUCT QUALITY.

We can also brand or customise the bag to specific needs with enhancements if necessary.
