## **Stainless steel power cleaner**

Special cleansing agent for cleaning metal surfaces.

### **Fields for application:**

For surfaces out of stainless steel, chrome, brass, anodized, enameled, metal surfaces as well as light metals and non-ferrous metals at the garage, at vehicles, boat building, with technics, in household and at food processing operations.

### **Properties:**

- Removes greasy and oily metal surfaces thorough and powerful. For example drilling and cutting oil, dust and other processing residues.
- Ideal preparation for further remediation, cleaning and care.
- Harmless use at food processing operations like restaurants, kitchens, canteens, slaughterhouse, food transportation etc.
- Effective and economical consumption.

### **Application:**

Spray on dirty surface. Clean the surface with a moist cloth after letting it operate for a bit. Possibly use a sponge to support the cleansing process.

### **Technical data:**

AOX-free	yes
Biodegradable	yes
Density	1.01 g/cm <sup>3</sup>
Colour	colorless
Container	Spray bottle/ can
Smell/ fragrance	distinctive
Content	0.5 l / 5 l

# TECHNICAL DATA SHEET

Weight	505 g / 5050 g
Shelf life	24 months
Silicone-free	yes
pH value	9.3

**Remarks:**

Avoid direct contact with groceries.
