Quick Fresh Turbo

Description

Effective elimination of odours in vehicle interiors, e.g. cars, HGVs, motorhomes/caravans, buses and trains, public areas and sanitary facilities etc. Also suitable for home and leisure.

Properties:

Effectively combat odours with a single spray. Provides a pleasant fresh fragrance. Quickly and effectively neutralises all kinds of unpleasant odours.

- Fast and easy to use
- Eliminates odours in seconds
- Pleasant fresh fragrance
- Small and handy

Application:

In buildings:

Empty the canister by fully pressing down the spray head once in the centre of the room (takes approx. 2 seconds).

In vehicle interiors:

Saloon cars: Switch off vehicle and spray a complete canister into the vehicle interior through the opened driver's door. Then close the door and allow the spray to take effect for approx. 5 - 10 minutes. After this waiting period has elapsed, open the driver's door and passenger door and allow the vehicle to ventilate well.

Estate cars/transport vehicles:

Spray the canister through the opened tailgate towards the front of the vehicle, then close the tailgate. Follow subsequent steps as described above.
