OLD ROAD WINE Co

Menu

At Old Road Wine Co. we produce wines that pay homage to Franschhoek's heritage of prized old vines, special vineyard sites and fascinating, unique stories.

We are terroir fanatics, and we believe that the very nature of great wines from different terroirs are their ability to deliver something a little different, creating intrigue and fascination. For this reason, we have crafted a selection of wines from various regions, where the individuality of the vine and terroir is celebrated.

Our quality wines also bring life to the characters and traders, around which an illustrious industry was founded. They speak not only to the senses but also to something in the soul.
