

VINEYARD FRIENDS

A WINE BY *Douglas Green*

GREAT WINE IS MADE IN THE VINEYARD, FARMING SIDE BY SIDE WITH NATURE, NOT AGAINST IT. AFTER ALL, SUSTAINABLE WINEMAKING IS A TEAM EFFORT. IT'S ABOUT MAINTAINING THE DELICATE BALANCE BETWEEN FLORA, FAUNA, AND THE HUMAN HAND. EACH WINE WE MAKE HONOURS THE UNIQUE ANIMALS OF THE CAPE THAT MAKE THE VINEYARDS THEIR HOME.

GREY HERON

MERLOT MALBEC 2022

A long-legged, water-wading bird, the Grey Heron is an elegant hunter, offering a natural alternative to pest control. A friend of the vineyard, this wine honours the Grey Heron as a perfect blend of elegance and firm structure.

TASTING NOTE

Red berry and plum flavours with soft, ripe and juicy tannins.

IN THE VINEYARD

In our quest to source unique and exclusive vineyards, we visit many sites and meet fascinating farmers along the way. In the past few years, we have noticed a definitive move towards sustainable vineyard practices and the preservation of natural flora and fauna. Our goal is to establish long-term relationships with these growers and promote their innovative approach to sustainability so that the wines we produce today, can be enjoyed for generations to come.

IN THE CELLAR

Grapes are sourced from selected sites in Franschhoek, Bottelary, Breedekloof, and Voor-Paardeberg. Picked at optimum phenolic ripeness to ensure concentration and varietal expression, they are cold soaked and fermented at 23-25°C. Portions of this blend spent 12 months in oak to add complexity and structure.
