

the last elephant

This wine is a tribute to the last elephant that was seen departing the Franschhoek Valley in the late 19th century...

FRANSCHOEK
CELLAR

The town of Franschhoek was originally called Oliphants Hoek, meaning Elephant's Corner, and named after the herds of elephant that roamed the surrounding valley and mountains. The original mountain pass out of Franschhoek was built on an old elephant trail that carried these majestic creatures between their summer and winter pastures. To this day, the Franschhoek Valley holds the elephant dear as a symbol of the power and finesse that mark the wines born of its fertile earth. The Last Elephant was seen leaving the valley late in the 19th Century, inspiring this characterful, evocative wine.

TASTING NOTES

An exclusive red blend made from the best batches the winery can produce every year. An iron fist in a velvet glove, this small-production wine is boldly expressive and well-rounded. The nose brims with moreish dark fruit, showing blackcurrants, cherries, mulberries along with cedar wood, lead pencil and cigar box aromas. These develop in the glass and are joined by raspberry, spice and a hint of gaminess on the palate. The flavours are powerful but elegant, with fine tannins that continue to soften in the glass. A wine that lives up to the mystical legacy of the gentle giants that once roamed the mountains of the Winelands.

Aging Potential: Enjoy over the next decade and beyond.
Blend Information: Merlot 52%; Cabernet Sauvignon 25%;
Malbec 18%; Petit Verdot 5%

IN THE VINEYARD

The Last Elephant is crafted from ultra-premium vineyard sites, chosen for their exceptional character. The hand-selected grapes come from prized vineyard blocks in the Helderberg ward of Stellenbosch, South Africa. The unique combination of mountain slopes, altitude, coastal proximity, low-Vigor, well-drained soils rich in weathered granite results in a concentrated and pure expression of this blend. Meticulous vineyard management, including leaf thinning, green harvesting, and bunch selection, ensures that only perfectly ripe grapes are harvested. The significant variation in temperatures between day and night during the ripening period enhances color, flavor development, concentration, and intensity, all contributing to the remarkable quality of this wine

West to northwest Distance from	Mean ripening temperature: 21-22° C
ocean: 8 km Age of soil: 40-50	Ripening Sunshine: 12 hours per day
million years	

IN THE CELLAR

The grapes were hand-picked and fermented in closed tanks at temperatures of 25-28° C. The young wine received a post-fermentation maceration of 14 days, followed by malolactic fermentation in stainless steel. On completion of the malolactic fermentation, the wine was racked into 35% new French oak. The wine was then matured in oak for 14 months, followed by 12 months in the bottle to gain softness and complexity before release.

ANALYSIS

Vintage: 2022 | Alcohol: 14.00% | RS: 3.23 g/l | TA: 5.8 g/l | pH: 3.54
