BOSCHENDAL XXO POTSTILL BRANDY

Boschendal has a long and proud history of viticulture and wine making and a natural evolution was to develop a XXO brandy to complement the Estate's outstanding wines. Double distilled in copper potstills and aged in small French oak barrels for a minimum of 21 years. Masterfully blended with a nose revealing fresh yellow plums and ripe peach alongside delicate floral hints of daisy pollen and honeysuckle. On the palate, vibrant notes of succulent yellow fruits linger, gracefully balanced by the gentle spice of vanilla pods and cinnamon.

Experience the captivating craftsmanship of Boschendal XXO Potstill Brandy, exceptionally well-rounded, bearing testament to masterful craftsmanship and sophisticated ageing.
