Variety: 100% Chardonnay
Wine of Origin: Elgin

In the Vineyard:

The grapes for this Chardonnay comes from vineyards located on well-drained mountain slopes. The rocky Bokkeveld shale soils have a distinguished sub-layer of clay, and is only a stone's throw away from the Atlantic Ocean. The distinct cool-climate conditions result in slow ripening of the grapes. These low-yielding blocks are the ideal expression of Elgin's unique terroir. Every attempt is made to allow natural and dryland practices in the vineyards, with supplementary irrigation only being used if absolutely necessary. Grapes are harvested by hand between 22–23°B, ensuring only the top quality grapes make it to the cellar.

Vinification:

All winemaking tactics were directed at retaining the inherent vineyard and varietal traits. Grapes were whole-bunch pressed to retrieve only the purest of the juice. Cold settling was done for 48 hours, after which only the clear juice was racked. Natural fermentation was encouraged and after about 2°B the fermenting must was transferred into selected French oak barrels.

Half of the fermentation was done naturally and then a strong strain of selected yeast was added to ensure a complete fermentation. Partial malolactic fermentation was allowed. Still on its primary lees, the wine was matured for a further 11 months. During this time, lees stirring took place monthly to enhance the mouthfeel of the wine. Only the best barrels were selected for the final blend, which consists of 20% first-fill barrels and 34% second-fill barrels, and the rest a combination of third- to fifth-fill barrels.

Winemaker's Tasting Notes:

Vibrant pale gold with a glimmer of green.

On the nose: Expressive grapefruit and Golden Delicious apple aromas detailed with graceful lime blossom, frangipani and white truffle aromas further embellished by discreet vanilla oak spice.

Palate: A generous palate that is powerful yet intricate. Pronounced citrus fruit purity is layered with hints of oak and signature minerality. Finishes with remarkable intensity and length.

Ageing potential: Enjoy now, or allow this wine to allure you with its elegance for a further 8 to 10 years.
